MUNICIPAL REGULATIONS

FOR PAYMENT OF BILLS AGAINST THE CITY

All persons furnishing materials or service for the city, or aid to the city poor, should be particular to take the name of the person ordering such service, material, or aid, and should *know* that the person is duly authorized to contract such liability.

The city will not be holden for merchandise sold or delivered on city poor account, except on the written order of the overseer of the poor, and for no longer time than until his successor shall have been appointed and qualified.

Duplicate copies will be required of all bills payable by the city, furnished on county poor account.

All bills against the city must be approved by the person authorizing the charge: and unless this is done, no action can be had upon the bill by the Committee on Accounts and Claims, and no order will be given for its payment.

Bills so certified should be left with the city clerk on or before the second day of the month.

If approved by the Committee on Accounts and Claims, they will be ready for payment on Thursday following the regular monthly meeting of the city government.

The regular monthly meetings of the city government occur on the second Monday of each month.

ARTHUR E. ROBY,

City Clerk.

ORDINANCES AND RESOLUTIONS

PASSED DURING THE YEAR ENDING JANUARY 11, 1932.

AN ORDINANCE IN AMENDMENT OF CHAPTER 43 OF THE REVISED ORDINANCES IN RELATION TO SALARIES.

Be it ordained by the Board of Aldermen of the City of Concord, as follows:

Amend paragraph (Y) of Section 1, by striking out the whole thereof and inserting in place thereof the following: (Y) First Assistant Engineer of the Fire Department Nineteen Hundred Fifty Dollars per annum.

SECTION 2. This Ordinance shall take effect as of May 1, 1931.

Passed May 11, 1931.

AN ORDINANCE PROVIDING FOR LICENSING THE DEALING IN PETROLEUM PRODUCTS.

Be it ordained by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. No person shall manufacture, refine, mix, store for sale, or keep for sale any oil or fluid composed wholly or in part of any of the products of petroleum within the corporate limits of the city except as provided in Chapter 162 of the Public Laws, unless he shall first obtain a license so to do. Each person shall obtain a license for each lot or location upon which he operates.

SECT. 2. Application for license shall be made on such form as may be prescribed by the police board and shall be automatically referred to the police board for report to the mayor and board of aldermen, who shall be the licensing authority. Licenses shall be in effect until the first day of April next succeeding the date of issue, and no longer. Each license shall be conditioned upon the licensee observing all of the provisions of Chapter 162 of the Public Laws relating to the manufacture, refining, mixing, storage and keeping for sale of petroleum products and the provisions of the City Ordinances, and may be revoked at any time upon failure to conform to the said

provisions or any amendments thereto. No license shall be granted unless it shall appear, after inspection, that the premises where the license is to be operative conform or are to be made to conform, before the license is granted, to the provisions of law.

SECT. 3. The fees for license shall be as follows: Where the storage capacity is one hundred gallons or less, one dollar; where the storage capacity is more than one hundred gallons and not more than one thousand gallons, five dollars; where the storage capacity is more than one thousand gallons and not more than one hundred thousand gallons, ten dollars; where the storage capacity is in excess of one hundred thousand gallons, twenty-five dollars.

SECT. 4. Special permits in accordance with Section 33 of Chapter 162 of the Public Laws may be granted by the inspector of petroleum.

SECT. 5. All ordinances and parts of ordinances inconsistent with this ordinance are hereby repealed, and this ordinance shall take effect upon its passage.

Passed June 8, 1931.

AN ORDINANCE WITH REGARD TO REPORTING BY CITY OFFICIALS
AND DEPARTMENT HEADS.

*Be it ordained by the Board of Aldermen of the City of Concord,
as follows:*

SECTION 1. Each city official and department head shall report to the standing committee specially connected with his department, if there be such a committee, as often as may be required by such committee. In the event that there be no such standing committee specially connected with the department, said official or department head shall report to the finance committee.

SECT. 2. This ordinance shall take effect upon its passage.

Passed August 10, 1931.

AN ORDINANCE RELATING TO OBSERVANCE OF THE LORD'S DAY.

*Be it ordained by the Board of Aldermen of the City of Concord,
as follows:*

SECTION 1. Amateur Sports. It shall be lawful on the Lord's Day, to engage in play, games, sports, and exhibitions of

physical skill, to which no admission is charged, except public dancing, horse racing, prize fighting, wrestling, pool, billiards, and bowling, provided that peace and quiet are not unreasonably disturbed thereby. The Board of Mayor and Aldermen may regulate the time, manner, and areas of such play, games, and sports, to the end that no unreasonable disturbance of peace and quiet shall be caused thereby.

SECT. 2. Professional Sports. It shall be lawful on the Lord's Day to engage in play, sports, and games involving physical skill, for which an admission is charged, except public dancing, horse racing, prize fighting, wrestling, pool, billiards, and bowling, but not earlier than one o'clock in the afternoon. No such play, game or sport shall be held without a license therefor from the Licensing Board.

SECT. 3. Moving Pictures and Theatricals. It shall be lawful on the Lord's Day to conduct motion pictures, lectures, concerts, theatricals, and vaudeville performances, but not earlier than six o'clock in the afternoon, provided that no unreasonable disturbance of peace and quiet is caused thereby. The Board of Mayor and Aldermen may make regulations controlling such entertainments as do not now require to be licensed, to the end that no unreasonable disturbance of peace and quiet shall be caused thereby, and nothing in this section shall be construed to permit without license, any such entertainment now requiring license.

SECT. 4. Retail trade. It shall be lawful on the Lord's Day to sell at retail, newspapers, periodicals, flowers and nursery stock, ice cream, soft drinks, confectionery, fruit, bakery products including pastry, cigars, cigarettes, tobacco, smoking accessories, toilet articles, gasoline, oil, automobile parts and accessories, and food for consumption on the premises. Except as provided herein and by Section 5 of Chapter 385 of the Public Laws of New Hampshire, it shall be unlawful to sell or expose for sale any merchandise whatever on the Lord's Day.

SECT. 5. Ordinances Repealed. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed.

SECT. 6. Takes Effect. This ordinance shall take effect upon its approval by the majority vote of the legal voters present and voting at the next regular city election, provided that any section hereof which is disapproved by such majority vote shall be eliminated from this ordinance and not take effect.

Passed October 13, 1931.

AN ORDINANCE IN AMENDMENT OF THE ZONING ORDINANCE.

*Be it ordained by the Board of Aldermen of the City of Concord,
as follows:*

SECTION 1. Paragraph (c) of Section 11 of the Zoning Ordinance of the City of Concord is hereby amended by inserting the following sentence after the words "Laws of 1925": If any member or members of the Board of Adjustment are for any reason disqualified to act on a particular matter coming before the board, or temporarily unable to act by reason of illness or other cause, the Mayor, subject to confirmation by the Board of Mayor and Aldermen, may appoint a special member or members to serve on said board in place of the regular member or members so disqualified or unable to act, with reference to such particular matter or during the continuance of such disability. So that Paragraph (c) shall read as follows:

(c) Within thirty days after the adoption of this ordinance and thereafter as terms expire or vacancies occur, the Mayor, subject to confirmation by the Board of Mayor and Aldermen, shall make appointments to a Board of Adjustment conforming in membership and duties to the provisions of Section 7 of Chapter 92 of the Laws of 1925. If any member or members of the Board of Adjustment are for any reason disqualified to act on a particular matter coming before the board, or temporarily unable to act by reason of illness or other cause, the Mayor, subject to confirmation by the Board of Mayor and Aldermen, may appoint a special member or members to serve on said board in place of the regular member or members so disqualified or unable to act, with reference to such particular matter or during the continuance of such disability. The Board shall act on all matters within its jurisdiction under this ordinance in the manner prescribed in said section of said chapter and subject always to the rule that due consideration shall be given to conserving the public health, safety, convenience, welfare and property values.

SECT. 2. This ordinance shall take effect upon its passage.

Passed December 14, 1931.

RESOLUTIONS.

RESOLUTION AUTHORIZING THE ISSUE OF ONE HUNDRED TWENTY-SIX THOUSAND DOLLARS WATER WORKS BONDS.

Resolved by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. That, for the purpose of acquiring land, rights of way and sources of an additional water supply and development of the same for water takers in the City of Concord, for the erection of buildings and the purchase, acquisition and installation of necessary pumps, electric apparatus, machinery, and all other equipment essential or necessary for the pumping and purification of the additional water supply so developed, and for the construction of such pipe lines as may be necessary, all in connection with the extension of its mains and system into the town of Pembroke and to reimburse the City Treasurer for expenditures already made therefor, and further to be made before this Resolution becomes effective, there is appropriated the sum of one hundred twenty-six thousand dollars (\$126,000), and to meet the said appropriation that the City of Concord borrow the sum of one hundred twenty-six thousand (\$126,000) dollars and give its bonds therefor. These said bonds shall be one hundred twenty-six in number and of the denomination of one thousand dollars each, shall be dated February first, 1931, and shall be made payable to bearer, with interest coupons attached bearing interest at a rate not to exceed four and one-quarter ($4\frac{1}{4}\%$) per cent per annum payable semi-annually on the first day of February and the first day of August in each year. The said bonds shall become due and payable serially, nine thousand dollars (\$9,000) to be payable on the first day of February, 1938, and nine thousand (\$9,000) annually on the first day of February of each succeeding year until and including the first day of February, 1951. The principal of said bonds and the interest coupons attached shall be made payable at the National Shawmut Bank of Boston, Massachusetts or at the office of the City Treasurer, Concord, New Hampshire, at the option of the holder.

SECT. 2. That the City Treasurer is hereby authorized to procure proposals for the sale of the bonds hereby authorized and whichever bid seems to be for the best interests of the City shall be accepted by him, provided the same is approved by the Finance Committee of this Board. The right is reserved, however, to reject any or all bids.

Passed January 28, 1931.

RESOLUTION IN RELATION TO AUDITING CITY ACCOUNTS FOR THE
YEAR 1930.

*Resolved by the Board of Aldermen of the City of Concord, as
follows:*

That the Committee on Finance be authorized to procure the services of Archie M. Peisch & Co., to audit the City of Concord accounts for the year 1930, at a cost not to exceed five hundred dollars (\$500) provided, said Company furnishes credentials satisfactory to the said Committee on Finance.

Passed February 9, 1931.

RESOLUTION APPROPRIATING MONEY TO RELIEVE THE UNEMPLOY-
MENT SITUATION.

*Resolved by the Board of Aldermen of the City of Concord, as
follows:*

That the sum of thirty-five hundred dollars (\$3,500) be, and hereby is, appropriated out of any money in the treasury not appropriated for the clearing of a portion of the City Farm lot, so-called.

The said sum to be expended under the direction of the Unemployment Committee to help relieve the present situation.

Passed February 9, 1931.

RESOLUTION COVERING THE BUDGET REQUIREMENTS FOR THE YEAR
1931.

*Resolved by the Board of Aldermen of the City of Concord, as
follows:*

That it is the consensus of opinion of this Board, on account of the continually increasing tax rate, that during the present year the City shall undertake no new forms of endeavor, or enter upon no new lines of expenditures. And, furthermore, every effort be made to curtail, if possible, in order that the budget requirements for 1931 shall not exceed those of 1930.

Passed March 9, 1931.

RESOLUTION FIXING AND DETERMINING THE AMOUNT OF MONEY TO BE RAISED ON THE TAXABLE PROPERTY AND INHABITANTS WITHIN THE LIMITS OF THE SEWERAGE PRECINCT FOR THE ENSUING FINANCIAL YEAR.

Resolved by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. There shall be raised, and there is hereby ordered to be raised on the polls and ratable estates within the sewerage precinct of said city, the sum of ten thousand five hundred fifty dollars (\$10,550) to defray the necessary expenses and charges of said precinct for the ensuing financial year which shall be appropriated as follows:

For the payment of bonds for the years 1929, 1930, 1931,	\$7,500.00
For the payment of interest that may be- come due on precinct bonds,	3,050.00

SECT. 2. This resolution shall take effect upon its passage.

The bonds for the years 1929 and 1930 were paid out of the appropriation for "Public Improvement and Refunding Bonds" these should have been charged to the sewer precinct.

Passed April 13, 1931.

RESOLUTION FIXING AND DETERMINING THE AMOUNT OF MONEY TO BE RAISED FOR THE ENSUING FINANCIAL YEAR FOR THE USE OF THE CITY.

Resolved by the Board of Aldermen of the City of Concord, as follows:

SECTION 1. There shall be raised and there is hereby ordered to be raised on the polls and ratable estates within said city, the sum of three hundred ninety-five thousand two hundred fifty dollars (\$395,250) to defray the necessary expenses and charges of the city for the ensuing financial year, which, together with the sums which may be raised by taxes on railroads and from other sources which are approximately two hundred ninety-four thousand one hundred ninety-four dollars (\$294,194), shall be appropriated as follows:

SECT. 2. In addition to the foregoing there is appropriated for the cemeteries of the city one third of the income from the sale of lots and the income derived for the care of lots and grading, which sum shall be deposited by the superintendent, or others receiving them, in the city treasury. The care of lots for which the city holds trust funds shall be paid from the money appropriated for the care of cemeteries, and so much of the income of these trust funds as may be thus expended shall be deposited in the city treasury at the close of the year, and the remainder in each instance credited to the individual fund.

SECT. 3. In addition to the foregoing there is appropriated for the use of the Public Library the income derived from the public Library Trust Funds.

SECT. 4. This resolution shall take effect upon its passage.

In Board of Aldermen, April 13, 1931. Passed.

RESOLUTION AUTHORIZING THE MAYOR TO GIVE A DEED TO ELMER TROMBLY HEIRS.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the Mayor be authorized to execute and deliver in the name and behalf of the City, a quitclaim deed to the heirs of Elmer Trombly of lot 8263 Sheet 123 on the Assessors' Map,

recently deeded to the City for non-payment of taxes by Walter M. Small Estate, the said property having been taxed not only to the said Walter M. Small Estate, but also to the said Elmer Trombly heirs, and the latter having paid the taxes in full.

Passed May 6, 1931.

RESOLUTION AUTHORIZING THE MAYOR TO GIVE A DEED TO HATTIE
B. RICHARDS.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the Mayor be authorized, in the name and behalf of the City, to execute and deliver a quitclaim deed of the property at 37 Borough Road recently deeded to the City for non-payment of taxes by Mary L. Hamilton, the said property having been taxed not only to the said Mary L. Hamilton, but also to the said Hattie B. Richards, and the latter having paid the taxes in full.

Passed May 6, 1931.

RESOLUTION IN RELATION TO A UNITED STATES VETERANS'
HOSPITAL.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the Special Committee appointed, relative to the location of a United States Veterans' Hospital in Concord, N. H., be authorized to offer to the said U. S. Veterans' Bureau, a tract of land in Ward Eight, located on the Canterbury Road, running from the Plains, so-called, to East Concord, which is now owned by the City of Concord.

Passed May 6, 1931.

RESOLUTION PROVIDING FOR THE CLEANING UP OF CERTAIN OUT-
STANDING MATTERS ON THE TAX COLLECTOR'S BOOKS.

Resolved by the Board of Aldermen of the City of Concord, as follows:

That the tax collector be authorized to cancel the charges with respect to the following tax sales, and to file with the Register of Deeds a certificate of redemption of the same:

(1) Land on North Pembroke Road taxed to Isaac Clement Estate in 1920 and sold in 1931 for non-payment of 1920 taxes, but since then taxed to other successive owners who have paid the taxes on the same in good faith.

(2) Land on the Batchelder Mill Road taxed to Bertha Bucklin Palmer in 1924, and sold in 1925 for non-payment of 1924 taxes, and since then taxed to successive owners who have paid the taxes in good faith.

(3) Land, Center Street Extension in Penacook, taxed to Frank P. Ferrin Estate in 1925, and sold in 1926 for non-payment of 1925 taxes, and since then taxed to successive owners who have paid the taxes in good faith.

(4) Garage at 8 Elm Street taxed to Frank L. Rix in 1925, and sold in 1926 for non-payment of 1925 taxes, said property having been wrongfully assessed.

(5) Block at 14-18 East Canal Street, Penacook, and land on the north side of the Bog Road, taxed in 1926 to Napoleon Boutin, and sold in 1927 for non-payment of 1926 taxes, but since taxed by the City to said Boutin and taxes collected.

(6) Garage on the Black Hill Road, and Rest Room opposite, on leased land, taxed to John E. Johnson in 1926, and in 1927 for non-payment of 1926 taxes, and since then taxed to successive owners who have paid the taxes in good faith.

(7) Homestead on the south side of Joffre Street, taxed to Robert Martin in 1926, and sold in 1927 for non-payment of 1926 taxes. Erroneously taxed.

(8) Two lots numbered 285 and 286 on Randlett Street, Penacook, taxed in 1927 to Charles R. Lancey, and sold in 1928 for non-payment of 1927 taxes. Taxed by error.

(9) Land in Concord Manor, lots numbered 266, 267, 287, and 288, taxed to Edna G. Lancey in 1927, and sold in 1928 for non-payment of 1927 taxes. Taxed by error.

(10) Land on the Plains, taxed to Harry Jamison in 1929, and sold in 1930, for non-payment of 1929 taxes, said Jamison being entitled to an exemption.

(11) Standing sawable timber on 8012A, Map A, taxed to Baker Box Company in 1927, and sold in 1928 for non-payment of 1927 taxes, the timber having been cut and there being no real estate to operate upon.

(12) Lot on Perkins Court, taxed to Charon G. Perkins in 1929, and sold in 1930 for non-payment of 1929 taxes. Erroneously assessed.

Passed May 6, 1931.

RESOLUTION AUTHORIZING A SETTLEMENT WITH THE MARTHA R. MOSES ESTATE.

WHEREAS Martha R. Moses, late of Concord, by her last will and testament gave the residue of her estate to her sister Sarah H. James on condition that the latter dispose of the wood and timber growing upon any land included in said gift and apply the proceeds as may be necessary for the erection of a monument and markers on the burial lot of the deceased in Blossom Hill Cemetery, unless said stone shall be erected by the testatrix during her lifetime, and on further condition that the said James pay over to the City of Concord any balance of the proceeds of said sale, to be forever held in trust and the income therefrom applied annually to keeping said gravestones and burial lot in proper condition, the grass cut, and the decoration of the said lot with growing and cut flowers, and

WHEREAS during her lifetime the said Martha R. Moses sold the timber above referred to, and out of the proceeds erected a monument and markers in the said cemetery lot, and whereas the question has arisen as to the disposition of the residue and the intention of the testatrix with regard thereto, and whereas the sum of Two Hundred Dollars seems to be a sufficient amount for the City to hold in trust for the purposes still to be performed under the said will,

Be it Resolved by the Board of Aldermen of the City of Concord, as follows:

That the City Treasurer be authorized to receive the sum of Two Hundred Dollars on behalf of the trustees of trust funds of the City of Concord, and, in behalf of the City of Concord, to give a receipt in full satisfaction of the interest of the City of Concord under the will of Martha R. Moses.

Passed May 11, 1931.

MAYORS OF CITY OF CONCORD

The original charter of the city was adopted by the inhabitants March 10, 1853, and until 1880 the Mayor was elected annually. Since 1880 the Mayor has been elected for two years, at each biennial election in November. Under the City Charter, adopted May 11, 1909, the Mayor was elected, in December, 1910, for one year, and biennially thereafter in November beginning in the year 1911.

REPORT OF THE BOARD OF WATER COMMISSIONERS

To the Honorable Mayor and Board of Aldermen:

The Board of Water Commissioners take pleasure in calling to the attention of the citizens of Concord the report of the Superintendent, Percy R. Sanders, giving in detail the various activities in connection with carrying on the Water Works of the City. The said report includes a very clear statement of the work done and of the amount of money received and how said money received was disbursed, showing a very comfortable balance to be brought forward for next year, 1932, amounting to \$45,453.97.

The successful completion of the well field in North Pembroke, consisting of one hundred and fifty wells, with the erection of the pumping station and installation of equipment, marks the year 1931 as a very important one in the history of the Water Works, established sixty years ago.

The Board of Water Commissioners feel that with the completion of the additional water supply, our present water system will take care of the needs of the City for many years to come.

The Board of Water Commissioners feel justified in mentioning that Metcalf & Eddy, engineers employed by the City, together with Superintendent Sanders, deserve our favorable commendation for the results obtained and at a very reasonable cost to the City.

Respectfully submitted,

For the Board of Water Commissioners
duly authorized.

HARRY H. DUDLEY,

President.

EXTENSIONS AND IMPROVEMENTS

Distribution pipes laid in 1931:

8-inch:

Ferry Street, 429 feet in place of 4-inch.

6-inch:

Second Street, West Concord, from Sewall's Falls Road to Concord Electric Company property, 3280 feet; 605 feet of 2-inch discontinued.

Clinton Street, west from Christian Science Farm, 2307 feet; 365 feet of 1-inch pipe discontinued.

Weston Street, extended west to Somes Street, 248 feet.

Somes Street, from Weston Street to Heights Road, 204 feet.

Heights Road, from Somes Street, west, 26 feet.

Palm Street, West Concord, 226 feet in place of 1-inch.

So. Linden Street, Penacook, extended south, 328 feet.

Penacook Street, Penacook, extended south, 45 feet.

2-inch:

Heights Road, extended from 6-inch, 483 feet.

Huntington Street, south from Centre Street, 192 feet in place of 1-inch.

Cemetery Street, East Concord, extended east, 113 feet.

Also laid 1¼-inch, 133 feet; 1-inch, 137 feet; 112 feet discontinued.

On hydrant branches, 217 feet of 6-inch; 12 feet discontinued.

Fifteen gates were set; four were discontinued.

Eight new hydrants were set: one has been discontinued:

Clinton Street, north side, opposite Birch Street.

Clinton Street, north side at Jesseman's.

Clinton Street, north side at State Hospital Farm.

Clinton Street, north side at Harry D. Lewis'.

Second Street, West Concord, west side at E. H. Rogers'.

Palm Street, West Concord, west side at end of pipe.

Heights Road, north side near Somes Street.

North State Street at culvert north of State Prison.

Nine old hydrants have been replaced by new ones.

Forty-three new services have been laid consisting of 705 feet of $\frac{3}{4}$ -inch; 251 feet of 1-inch; 7 feet of 2-inch; and 15 feet of 4-inch.

Five services were discontinued of which two were replaced by new ones. One hundred and twelve services were relaid and curb valves placed on forty-five old services.

Seventy-nine new meters have been set and ten have been discontinued.

Very little has been done during the year on distribution lines or other construction. The program of relaying Penacook has been postponed but will be resumed as planned later.

The construction and completion of the auxiliary driven well supply in the town of Pembroke bordering the Soucook River has made the year one of the most important in the history of the works. In the 1930 report a statement was given showing why it was absolutely necessary to procure an additional supply together with the investigations made and results obtained which gave the Board confidence to construct a driven well system in the locality recommended by Metcalf & Eddy in their report submitted in 1927.

This supply is located in the town of Pembroke on the east side of the Soucook River and north of the North Pembroke Road. The Soucook River is a tributary of the Merrimack which has for its head waters Loon and Shellcamp Ponds in Gilmanton, Rocky and Shaker Ponds in Canterbury, and Clough and Crooked Ponds in Loudon. The area of the watershed above the plant is approximately 82.6 square miles and comprises sections of the towns of Belmont, Gilmanton, Northfield, Canterbury, Loudon, Pembroke, Chichester and Concord.

Work was started driving the wells November 10, 1930, and was continued through the winter together with laying the suction lines. By February 7, 1931, one hundred wells had been driven and connected. A temporary station was built and pumping was started from the system February 9, 1931, ninety-one days from the start.

These wells consist of 2½-inch black wrought iron pipe with a Cook No. 30 lead packed top strainer six feet long; top of strainer placed at least 20 feet below ground water level. The average depth of wells is 38.58 feet from surface of ground.

Each well is connected to the mains with 2½-inch wrought iron cement lined pipe with a 2½-inch valve and connection between well and main.

The pump in the temporary station was a used 750 G. P. M. 2-stage Worthington Underwriters Centrifugal fire pump, driven by a 75 H. P. G. E. slip ring motor with a 5'-6" x 8'-0" sand and vacuum chamber. A Nash Hytor vacuum pump was used to prime the pump. This pump delivered an average of 750,000 gallons daily into the High Service system until September 29, 1931 when it was dismantled.

Plans were made for the new pumping station and equipment, also layout for the well field by Metcalf & Eddy and approved by the Water Board.

The plant consisting of station with pump room, electric bay, office, heater room and lavatory, and a three stall garage with work shop was built by the Norquist Construction Company, Inc., who started work April 1, 1931.

The pumping equipment, the contract for which was awarded to Starkweather & Broadhurst, Inc., consists of three units, two of which are 2-stage Morris Centrifugal pumps, 6-inch suction, 6-inch discharge, connected in series, driven by Westinghouse 125 H. P. motors at a speed of 1740 R. P. M.; capacity of each unit 1145 gallons per minute with suction lift of 15 feet and discharge head 286 feet at an overall efficiency of 69.7%.

The third unit is a 3-stage Morris Centrifugal pump connected in series, driven by a 175 H. P. Sterling Dolphin gas engine, 1200 R. P. M., 1145 gallons per minute.

The vacuum and priming system consists of a vertical vacuum and sand chamber, 6 feet in diameter and 12 feet high with two sets of 24-inch gage glasses and controls. These controls are four float operated pilot switches assembled in cast iron float chambers to operate on rise and fall of water in tank.

The priming pumps are two Nash Vacuum Hytor pumps, bronze fitted, each with a capacity of 23 cubic feet of air at a vacuum of 10 inches, and $8\frac{1}{2}$ cubic feet at 20 inches.

These priming units can be operated singly or together as occasion requires.

The building was so far completed with installation of equipment that pumping was started September 29, 1931 and has been operated continuously since that time with the exception of a week or ten days when the pumps were shut down to be painted.

The pumps are operated alternately and the gas pump once a week for a period of an hour.

The station is run on three shifts of eight hours each. All the water for the High Service is now being pumped from this plant, averaging 1,060,000 gallons daily on a $16\frac{1}{2}$ hours run. Since pumping from the wells we have drawn, to December 31, 1931, 256 million gallons of water from them, equal in depth to $2\frac{1}{2}$ feet on Penacook Lake.

Early in the year it was decided to drive 50 additional wells, making 150 in all. Work was started on these June 2 and completed July 2, 1931. Two drilling outfits were used in all the driving. All the construction with the exception of the building and installation of pumps was done by the Water Works employees.

The plumbing and heating were installed by Orr & Rolfe Co., and the power wiring by the Reliable Wiring Co. The

following comment is made by the New Hampshire Board of Fire Underwriters, "The electrical equipment is one of which any community may well be proud."

The City purchased approximately 95.5 acres of land, 55.5 acres on the Pembroke side of the river and 40 acres on the Concord side of the river. The well field comprises an area approximately 1680 feet long and 720 feet wide, 27.76 acres. This averages 8000 sq. ft. for each well. A road has been built from the North Pembroke Road to the plant so that it is easily reached.

In the development of the well field the following stock was used:

In 150—2½" wells, average depth 38.58 feet.

1570 feet of 2½" cement lined pipe.

6237 feet of 2½" black wrought iron pipe.

150—2½" gates and curbs.

150—6 foot strainers.

In suction pipe lines:

150 feet of 12" cast iron pipe.

150 feet of 10" cast iron pipe.

5710 feet of 8" cast iron pipe.

1—10" gate and curb.

19— 8" gate and curb.

334 special castings.

Penacook Lake has continued at a low stage during the year, the lowest level being reached March 6, 173.70, 11.3 feet below the overflow and 4.2 feet above the intake; the highest level was reached June 8, 177.90 a rise of 4.2, 7.1 feet below the overflow and 7.1 feet above the intake. The average height for 1931 was 175.95, 2.4 feet lower than for 1930. The height of water January 1, 1932 was 176.70 a rise of 1 foot since December 12.

The drop in the Lake in 1930 was 6.9 feet and in 1931 2.2. The value of the new plant is shown by these figures as otherwise we should have been dangerously near if not below the intake.

On December 17, 1930, the gates between the Penacook and Boscawen Water Works and Concord system were opened and water was purchased from them at the rate of approximately 150,000 gallons daily supplying Penacook and West Concord to the north side of Hutchins Street until August 9, when the gates were closed.

It has not been necessary at any time to curtail consumers on the use of water, the only restrictions imposed were on flushing streets and flooding skating rinks.

Analyses of the water from the wells so far have shown such slight traces of iron as to be negligible. With most driven well systems throughout New England presence of iron has caused a great deal of trouble and it has been necessary to resort to aeration, coke filtration and sand filtration to free the water of its iron content. The following analyses of Penacook Lake and the Pembroke wells water as given by the New Hampshire State Board of Health are given to show the comparison.

	Penacook Lake	Pembroke Wells	Part per 100,000

The reasonable limit for iron in a potable water as set forth by the New Hampshire State Board of Health is 0.25 parts per million based on their experience with ground water. That from the Pembroke wells is .05 parts per million.

In connection with a government report of the mineral content of public water supplies, the United States Department of the Interior made analyses of water from our two supplies with the following results:

SUMMARY OF STATISTICS

FOR THE YEAR ENDING DECEMBER 31, 1931

CONCORD WATER WORKS

CITY OF CONCORD, COUNTY OF MERRIMACK, STATE OF
NEW HAMPSHIRE

GENERAL STATISTICS

Population by census of 1930, 25,228.

Date of construction—1872 and 1931.

By whom owned—City of Concord.

Source of supply—Penacook Lake and driven wells in
Pembroke.

Mode of supply—Gravity, also pumping to reservoir for
high service and fire protection.

DISTRIBUTING SYSTEM

Kind of pipe—cast iron and cement-lined.

Sizes—four-inch to twenty-four-inch.

Extended—7298 feet during year.

Relaid—12 feet during year.

Discontinued—441 feet during year.

Total now in use—448,916 feet, or 85.0 miles.

Sizes—two-inch and less.

Extended—777 feet during year.

Relaid—281 feet during year.

Discontinued—1225 feet during year.

Total now in use—30,445 feet, or 5.76 miles.

Number of hydrants added during year—public, 8;
private, 1.

Number of hydrants now in use—public, 587, private, 111.

Number of stop gates added during year—11.

Number of stop gates now in use—1,278.

Number of blow-off gates—80.

Range of pressure on mains at center of city—88 pounds
high service and 48 pounds low service.

SERVICES

Kind of pipe—cement-lined, brass and copper tubing.

Sizes—three-fourths-inch to ten-inch.

Extended—978 feet.

Discontinued—101 feet.

Total now in use—113,167 feet.

Number of service taps added during year—38.

Number now in use—4778; also six houses on private ways.

Average length of service—23.68.

Number of meters added during year—79.

Number now in use—3846.

Percentage of services metered—80.49.

Percentage of receipts from metered water—93.12.

FIRE DEPARTMENT

Report of Chief Engineer.

To the Board of Mayor and Aldermen:

In accordance with the requirements of the City Ordinance, I herewith submit for your consideration the report of the Fire Department for the year 1931.

The department responded to 91 bell alarms and 436 still alarms.

ALARMS.

	<i>Bell.</i>	<i>Still.</i>	<i>Total.</i>
Precinct,	43	296	339
Penacook,	11	85	96
East Concord,	5	17	22
West Concord,	6	30	36
Plains,	26	8	34
	91	436	527

While the number of alarms for the year was approximately one hundred less than the number for the preceding year, the loss was far more.

The Shapiro fire January 12th and the Nardini fire November 14th contributed within \$1,309.00 of one-half of the entire loss for the year.

The apparatus, in the main, is in good condition. The last of the precinct steam fire engines was condemned and sold.

Two of the remaining horse drawn hose wagons were also sold.

An Ahrens-Fox 750 gallon combination pumping engine and hose car was added to the equipment, also one thousand feet of hose.

The Fire Alarm System is in good condition.

All repairs were attended to as required and eight new boxes purchased from the appropriation for the preceding year, were installed.

A few localities still exist in which fire protection can be improved by the installation of boxes.

The overhead parallel lines from the city sheds to St. Paul's School were replaced by overhead cable.

I respectfully recommend the purchase of one thousand feet of hose during the present year.

It is with extreme regret that I report the loss, by death, to this Department, of three valuable men during the year.

For the privilege afforded me of attending the convention of the International Fire Chiefs held at Havana, Cuba, during October a report of which was rendered at that time, I wish to return my sincere thanks.

Respectfully submitted,

W. C. GREEN,

Chief Engineer.

REPORT OF THE ENGINEERING DEPARTMENT

CONCORD, N. H., December 31, 1931.

To the Board of Public Works:

GENTLEMEN: On January 1, 1931, the highway department was consolidated with the Engineering department, and the following is the yearly report of the various subdivisions of the department:

ENGINEERING

Appropriation,	\$5,385.00
Expended,	5,372.74
	<hr/>
Balance,	\$12.26

An itemized account of all work and expenditures is kept on a card system, which we will be pleased to show and explain to all interested parties.

Thirty plans and 1,457 blue prints were made; 5924 feet of grade stakes were set; 409 transfers of property were recorded; 2.191 miles of street were laid out in 1931, bringing the total mileage of streets and roads in the entire city up to 180.698 miles.

The deed book of Blossom Hill Cemetery showing transfers of lots was brought up to January 1, 1932.

The employees of this department have been: Edward E. Beane, assistant engineer; C. Fred Moulton and Paul Chattock, rodmen; Frances Richardson, clerk, and Frank S. Merrill, accountant, all of whom have rendered valuable service to the city.

SEWERS

Appropriation,	\$15,000.00
Receipts,	1,686.29
	<hr/>
	\$16,686.29
Expended	16,624.90
	<hr/>
Balance,	\$61.39

Sewers were constructed in the following streets :

Noyes Street,	124 feet
Mountain Road, East Concord,	1356 “
Prison sewer outlet (change of alignment),	294 “
	<hr/>
	1,774 feet

Twenty-two catch basins were built and connected; 22 manholes were built.

There were 123 private pipe plugs and 46 main line plugs which were immediately removed.

There were 35 house connections laid.

A detailed account of every job, bill, etc., is kept in this office.

In April, 1931, the Chevrolet dump truck was traded in for a one and one-half ton, dual wheel Chevrolet dump truck.

During the construction of Gulley Hill, so-called, there was 3794 feet of sewer laid, which takes it from the Merri-mack river to the South Pembroke road. This was built jointly between the city of Concord and State of New Hampshire.

The total mileage of sewers built in 1931 was 1.054.

The department maintains 56.798 miles of main sewers, located as follows:

City Proper,	42.855 miles
West Concord,	3.972 "
East Concord,	2.436 "
Penacook,	5.620 "
Plains,	0.718 "
St. Paul's School,	1.197 "
<hr/>	
Total,	56.798 miles

Our regular employees of this department have been: William H. Murphy, foreman; Richard Morrill, James J. Berryman and Wilbur Kendall, assistant foremen, all of whom have been of great assistance to the department.

STREET LIGHTS

During the year there were installed electric street lights as follows: 1-200 e. p.; 5-60 e. p.; 2-40 e. p.; making the total number of lights in operation December 31, 1931, as follows: 143-600 e. p.; 212-200 e. p.; 576-60 e. p.; 552-40 e. p.

Appropriation,	\$45,500.00
Expended,	45,247.50
<hr/>	
Balance,	\$252.50

BRIDGE BOND

Appropriation balance, Jan. 1, 1931,	\$10,637.76
Expended,	10,637.76

The expenditures under this account were for work on the cement bridge over the Boston & Maine Railroad, Bridge Street, two bridges on Clinton Street, one on the Hooksett Turnpike, one on the Birchdale Road and one on the Hopkinton new road.

TREES

Receipts,	1,117.09
Appropriation,	\$6,000.00
	<hr/>
	\$7,117.09
Expended,	7,110.43
	<hr/>
Balance,	\$6.66

The care of trees is handled by forces under Foreman J. Henry Jordan. The work involved has been the removing of dead trees and branches, and the removing of brown tail and gypsy moths from the trees in the streets and on private property. The work on private land was charged to the owner, and it is evident from the number of complaints as to the cost of removing these pests on private property, that it would lead us to believe that the property owners should care for their own trees.

GARBAGE OTHER THAN TABLE GARBAGE

Appropriation,	\$35,000.00
Receipts,	106.44
	<hr/>
	\$35,106.44
Expended,	35,102.08
	<hr/>
Balance,	\$4.36

This work is done by our regular forces, and our method of collecting seems to be satisfactory.

TABLE GARBAGE

Appropriation,	\$4,360.00
Expended,	4,360.00

The collection of table garbage is done by contract. Bert C. Holt has the contract for collection of the city proper at \$4,000 per year, and Eugene Vezina the contract for collection in Penacook at \$360 per year.

ROADS AND BRIDGES

Appropriation,	\$200,000.00
Receipts,	13,305.89
	<hr/>
	\$213,305.89
Expended,	205,637.59
	<hr/>
Balance,	\$7,668.30

CONSTRUCTION

6.49 miles of streets were built and given two applications of tar. 4.77 miles of gravel roads were built. These will be tarred in 1932. 31.28 miles of tarred streets were given application of tar and honed. 129,810 square yards of roads were given two applications of tar. 569,689 square yards of roads were given one application of tar and honed. Street improvements were made at the following locations:

Pillsbury Street, opposite the Margaret Pillsbury Hospital.

Pleasant Street, South Fruit Street west.

Loudon Road, at the intersection of South Pembroke Road.

Trunk line east was given one application of heavy tar and honed.

Loudon Road from the O. K. Garage to the Loudon line was given one application of heavy tar and honed.

Grade was lowered and road rebuilt on Warren Street at the high school.

An unusual amount of patching was required in the streets and roads.

SIDEWALKS

Sidewalks were repaired and new sidewalks laid when petitioned for, and about three miles of gravel sidewalks were resurfaced.

BRIDGES

The approach to the lower bridge was made over and fence built; also bushes cut so as to give a better vision of the bridge. Fences were built and roadway improved at the bridges built on Clinton Street, Birchdale Road, Hooksett Turnpike, and New Hopkinton Road.

CULVERTS

Culverts were rebuilt and roadway widened on River Road near Broad Cove, three on the Loudon-Penacook Road and the culvert on the Sanborn Road is now under construction.

FENCES

As time permitted guard rails were built at dangerous points throughout the city.

SNOW REMOVAL

The streets and roads were plowed seven times. Total depth of snow was 56 inches.

CLEANING OF STREETS

The motor-driven flusher was used with the help of hand sweeping.

GARAGE AND STABLES

Additional insurance was placed on the building and equipment. The north half of the garage was re-roofed. A new floor will be laid in the stable this winter.

EQUIPMENT PURCHASED

One second-hand International truck, one gasoline shovel, three horses and five snow plows for road work. One Chevrolet sedan was replaced with a Chevrolet coupe. One Ford coupe was replaced with a Chevrolet coupe. Several miscellaneous tools were bought for the garage.

GENERAL

Our records are kept on a card system which shows all expenditures. We would be pleased to show them to anyone interested.

Work has been done for committees and departments when requested. Requests from citizens were granted when it was possible to do so.

For the many courtesies extended me by Mayor Robert W. Brown, the citizens, heads of departments and your board, I wish to express my appreciation.

Respectfully submitted,

FRED W. LANG,

Commissioner of Public Works.

REPORT OF THE BOARD OF HYDRANT COMMISSIONERS

CONCORD, N. H., December 31, 1931.

To the Board of Mayor and Aldermen :

GENTLEMEN: The twenty-sixth annual report of this board for the year 1931 is herewith submitted.

During the year several meetings of the Commissioners were held, and it was voted to recommend to the Water Board that seven new hydrants be installed. All of these were installed during the year.

One hydrant was installed at the new pumping station in Pembroke.

Respectfully submitted,

PERCY R. SANDERS,
FRED W. LANG,
W. C. GREEN,

Board of Hydrant Commissioners.

REPORT OF THE BOARD OF EXAMINERS OF PLUMBERS

CONCORD, N. H., December 31, 1931.

To the Board of Public Works:

GENTLEMEN: The thirty-second annual report of this board is herewith submitted.

The membership of the present board is as follows: Arthur W. Brown, an examined master plumber; Walter C. Rowe, M. D.; and Fred W. Lang, commissioner of public works. Mr. Brown is chairman of the board, and Fred W. Lang, clerk.

Two applications for master's license were received. Two meetings of the board were held, the applicants were examined, and both passed the required examinations.

There are four classes of plumbers on the register, and are listed as follows:

Total number registered masters,	8
Total number registered journeymen,	2
Total number examined masters,	32
Total number examined journeymen,	15

Respectfully submitted,

ARTHUR W. BROWN,
WALTER C. ROWE,
FRED W. LANG,

Board of Examiners of Plumbers.

REPORT OF THE BUILDING INSPECTOR

CONCORD, N. H., December 31, 1931.

To the Board of Public Works:

GENTLEMEN: The eighth annual report of your building inspector is herewith submitted.

There were 56 building permits issued.

There were 53 zoning permits issued.

There were 80 buildings completed.

There were 23 signs erected.

The inspections have taken a great amount of time, and I feel that the code has been lived up to cheerfully by the contractors.

This department works in conjunction with the Zoning Board of Adjustment, and 23 cases were referred to them.

For the courtesy extended me by Mayor Robert W. Brown, your board, the contractors and citizens, I wish to express my appreciation.

Respectfully submitted,

FRED W. LANG,

Commissioner of Public Works.

PUBLIC LIBRARY

REPORT OF TRUSTEES

To the Mayor and Board of Aldermen:

I have the honor to transmit Miss Blanchard's annual report of our city library's activities and expenses.

The trustees welcome the addition to the Board of Mr. Woodbury E. Hunt, who represents Ward Four.

•

Respectfully submitted,

WILLIS D. THOMPSON,

President of the Board of Trustees.

REPORT OF THE CITY LIBRARIAN FOR 1931

To the Board of Trustees of the Concord Public Library:

GENTLEMEN: It is generally accepted as an instance of cause and effect that when times are dull, a public library is well patronized. Certainly in the depressed 1931 this library had a record circulation, the largest in the thirty-seven years of which the present librarian has kept the count. 111,544 is a big figure for a small library, yet that is the number of volumes charged out at the circulation desk during the past twelve months. Add to that patronage the 5,055 inquirers who came to the reference room and our business totals 116,599.

But the fact that men and women have had an unusual number of unemployed hours has not been the sole cause of our gain of 13,328 in circulation. (It ought perhaps to be interpolated here that this increase was in the reading of fiction rather than non-fiction, but that is not surprising if people were desirous of cheering their thoughts.)

A prominent factor in rolling up these additional thousands has been the large, pleasant Branch Room in Fifield's store at Penacook, which has been a successful undertaking, and the Woman's Club of Penacook can congratulate itself that it was instrumental in bringing this Branch into existence. On the Tuesday and Friday afternoons when it is open from 2:30 to 5 o'clock, 10,843 books were given out in 1931. Members of the Club and members of our staff alternate in tending the Branch and charging the volumes which the 530 registered borrowers in Ward 1 choose from the 1060 now on the open shelves. These include many wanted by pupils using the Hartford Reading List and many new publications requested by adults who are engaged in the Congregational and Baptist Church Reading Contests.

East Concord continues to have a Deposit Station at Stuart's store. The West Concord Library has the efficient care of its founders, Rev. and Mrs. Franklin C. Thompson; we loan it books and get the credit of their circulation.

This is the case also with several school-rooms which ask for helpful outside reading and which at the end of terms report to us how much it has been used.

Emphasis may well be laid on the fact that the mounting quantity of work has to be done under hampering conditions; for example, it would facilitate our branch and school jobs and the collection of over-due books if an automobile were ever at our service; and within the Library proper there is the drawback of countless interruptions; for the small staff cannot be differentiated and the four assistants turn their hands to so many kinds of tasks that their pens and paste-brushes are generally arrested in mid-air as they jump to wait on a customer.

The first thing Monday morning is to send out duns for the return of books kept over time, and last year 4000 of these reminder postals were written.

To handle the larger business of 1931 a few more hundred dollars were spent and \$260.00 in insurance policies became due, thus bringing the expenses of this City Department to \$10,667.61.

The different items are as follows:

Salaries	\$5,949.84
Books and periodicals	2,029.53
Binding	701.05
Printing	127.45
Fuel and light	858.95
Incidentals	1,000.79

The sum of \$459 was received for fines from delinquent borrowers the past year.

New borrowers registered to the number of 1,233; of these 475 were of school age.

During 1931, 1,400 volumes were added to the accession book:

Those purchased	1,255
Gifts	98
Bound magazines	47

There were worn out and discarded 600 volumes; net gain therefore was 800, and this brings the total number on the library's shelves to 40,805.

Miss Mary Dennett, who is the head and front of the Reference Department, has had her largest year of meeting rational and irrational inquiries. When debates are undertaken by school teams, every last item which may assist them is routed out by Miss Dennett, whose patience equals her thoroughness.

The Vacation Reading Club was ably conducted for six summer weeks by Miss Ruth Melvin and Miss Marion Holt. It was rivaled by a Church Vacation School and therefore had about half the enrollment of 1930; but the boys and girls who read and reported upon recommended books were rewarded with diplomas, prizes and a closing party.

A bulletin board has been added to our central room and Miss Josephine Brown will see to it that it bears not only items of literary value like reviews and pictures of authors but notices of general local interest such as the Currier Art Gallery exhibits, programs for George Washington celebrations, etc., etc. Miss Brown's intelligent care extends itself also to securing the prompt arrival of our 75 periodicals and to the impartial distribution of material among the various reading circles.

Two library meetings in 1931 were of especial enjoyment. In June the American Library Association held a week's Conference in New Haven. I was fortunate

enough to be quartered in the beautiful Harkness Quadrangle. Yale's seven million library just completed gave the opening reception to the two thousand librarians in attendance.

Last September our state association met in Hanover, and the new and old attractions of Dartmouth College were the background for our professional sessions. In this coming June New Hampshire is to be the hostess state to a regional meeting taking in New Hampshire and New Jersey. It will be held in the White Mountains, will be wide open to trustees—and hoping to meet you all there! ! !

I am, respectfully,

GRACE BLANCHARD,

City Librarian.

REPORT OF SEALER OF WEIGHTS AND MEASURES FOR THE CITY OF CONCORD

COVERING PERIOD JANUARY 1, 1931 TO JANUARY 1, 1932

*To His Honor Robert W. Brown, Mayor, and the Board of
Aldermen:*

During the past year 1,090 scales were tested, 745 of which were found correct and sealed, 303 were adjusted before being sealed, 12 confiscated and 30 condemned for repairs, later being reinspected and sealed.

There were 1,634 weights tested, 1 of which was adjusted before being sealed, 3 confiscated and 2 condemned for repairs which were later reinspected and sealed. There were 1,680 liquid measures tested, 1,666 being found correct and sealed, 10 adjusted before being sealed, 3 confiscated and 1 condemned for repairs. Eight dry measures were tested and found correct.

During this period 496 tests were made of automatic pumps, 383 of which were found correct and sealed, 91 adjusted before being sealed and 22 condemned for repairs, later being reinspected and sealed.

Your sealer made 2,321 reweighings of commodities in package form, 2,235 of which were correct, 14 over and 72 under weight. Five loads of coal in the process of delivery were reweighed. There were measured 29 cart bodies used in the delivery of wood, 3 of which were found incorrect.

Special attention was given to all requests from purchasers desiring commodities reweighed or remeasured and numerous inspections were made to determine the capacity of coal bins, tanks and other receptacles.

Respectfully submitted,

GEORGE A. DEARBORN,

City Sealer.

REPORT OF THE PARK COMMISSIONERS

To the Mayor and Board of Aldermen:

The city parks have been kept up to the usual standards. The stone wall on the High Street boundary of White Park was continued, and eventually the wall will be built the entire length of the park on High Street.

At Rollins Park, the work of cleaning out the underbrush was continued, and the decayed tops of several pine trees were cut off. This removed a menace to the swimming pool during days of high winds.

The collection of water fowl at White Park still continues a great attraction.

HEALTH DEPARTMENT

REPORTS OF THE SANITARY OFFICER AND MILK INSPECTOR

Mayor Brown, Board of Health and Board of Aldermen:

GENTLEMEN: The annual report and summary of the Health Department for 1931 is herewith submitted.

The year just closed has been remarkably free from contagious diseases, fewer cases being reported than in many years past. The total number of deaths in the city were four hundred seventy-two: two hundred ninety-nine of these were in the institutions of the city, the majority of which were non-resident.

The venereal disease clinic is held weekly under the supervision of the State and local Boards of Health. Mrs. Ada Parsons assists Dr. Chancey Adams at the clinics and he reports several cases of long duration as being discharged.

Since the toxin-anti-toxin clinics for the prevention of diphtheria have been held, we have inoculated nearly three thousand children and it is most gratifying to note that only one child of school age has been reported as having the disease and that one had not received the immunizing treatment. Dr. Charles H. Parsons has been in charge of this work being assisted by Mrs. Gladys Benson and Mrs. Georgiana Mansur. We greatly appreciate their help and are indebted to the Concord District Nursing Association and to the School Board for their hearty co-operation and interest taken.

Regular inspections of the alleyways about the city are made and a decided improvement shown. Nuisances and complaints have been investigated and abated. Twenty-five

cats and dogs which had died or had been killed and whose owners were unknown were removed from streets or yards.

I wish to express my thanks to the members of the Board of Health for their help and co-operation throughout the year.

Respectfully submitted,

CHARLES E. PALMER,

Sanitary Officer.

REPORT OF PLAYGROUNDS COMMITTEE

CONCORD, N. H., December 31, 1931.

To the Mayor and Board of Aldermen:

The Committee on Public Playgrounds is glad to report a busy and useful season. Perhaps because of the current depression, more children than ever before have attended the various public playgrounds. To those children who are unable to leave the city during the summer season, these play areas are places of safety, handwork education, and constructive physical activities.

Mr. Paul Crowell was elected director for a second year. He ably planned the program for the sixteen instructors. A special swimming instructor and life saver was in charge at the Soucook River Pool.

Early in the season of 1931, a petition was received from interested baseball players and fans in West Concord asking that a baseball diamond be laid out on the lot north of the cemetery. This petition was granted and this ballground has been satisfactory and popular.

The old school building on the playground on the corner of West and South State Streets was, during the summer, almost a menace, but through the negotiations of this committee it was demolished in the fall. As soon as weather permits the remaining concrete will be removed and the entire playground re-conditioned.

Co-operating with a municipal civic beautification committee, several hundred trees were planted on different areas by playground officials.

The usual preparations for winter sports have been made. Not all petitions for sliding protected sections could possibly be granted. A new venture, at White Park, is the cleaning of skating area by boys interested in skating. Through the co-operation of Police Officer Andrews, this has been a very happy and successful way of keeping ice in

condition. A heated room, formerly a tool shed, has proved of great convenience to skaters.

The committee has continued its supervision of the Chandler School. This building is used continuously by the Veterans of Foreign Wars and the Concord Girl Scouts.

In these days of special economy, this committee has endeavored to fill the greatest playground needs under a small annual budget. The playground having the helpful co-operation of families in that particular section, is the most successful playground. So much might well be accomplished, without the expenditure of the city's money, by those who fully appreciate the value of recreational facilities. This committee wishes to stress the fact, that playgrounds belong to certain districts, but only as that same district feels its own responsibility in protecting city property can that playground be a thing of usefulness or of beauty.

President Hoover sent the following message to the children of the playgrounds of this country:

To the Boys and Girls of America:

Two and a half million of you are playing today in the playgrounds of nearly a thousand cities. Your elders rejoice with you in your fun and freckles, your sports and games and all that goes into making you happy and healthy boys and girls. Your zest in life is a precious possession and your laughter makes a joyous chorus throughout the land.

Thousands of devoted men and women under the leadership of the National Recreation Association have labored for a quarter of a century to provide the playgrounds which you enjoy. We rejoice with you and with them in this boon to the boyhood and girlhood of our country.

Yours faithfully,

HERBERT HOOVER.

This Committee gratefully acknowledges the gracious co-operation of Mayor Brown, and the Commissioner of Public Works.

Two major industries have removed their machinery and stock in trade from the city, the Gorham Manufacturing Co. (Durgins). They still own the building and lot.

The other, the New Hampshire Spinning Mill at Penacook. The Spinning Mill Co. has sold building and water rights to the Penacook Electric Light Co. at a merely nominal figure.

One new manufacturing business has been started, known as the Concord Silversmiths, Inc.

Machinery has been installed in new railroad shops at South End.

The Olson Granite Co. has, at this date, under construction a new cutting shed some 55'x240'.

All other business establishments have operated on a restricted basis. The exemptions on the Perry Bros. Granite Company and on the Rumford Printing Company have expired.

Nov. 10th, 1932

Clarence O. Philbrick was chosen by Board of Mayor and Aldermen to fill the unexpired term of Mr. Morris as City Assessor, Joseph E. Shepard to fill the unexpired term as Clerk of Board. Mr. Shepard resigned as Chairman and Michael J. Lee elected to serve for the balance of tax year.

Respectfully submitted,

MICHAEL J. LEE, *Chairman*,
JOSEPH E. SHEPARD, *Clerk*,
CLARENCE O. PHILBRICK.
